

The New
Metronit!

The Ministry of Transport
and the National Authority for Public Transport
are proud to announce the launch
of a new Metro line:

Here it comes Line No. 4

● More efficient ● Greener ● More convenient

As of May 13, 2022

The Superbus Company will operate the new **Line 4** (The Tunnels Line) that will connect the Krayot cities with Hof HaKarmel Central through the Carmel Tunnels. The new line will travel in part along the route of Line 1 and in part along the route:

**Carmel Tunnels - Grand Mall - The Congresses -
Information Industries Center - Hof HaKarmel Central.**

The Tunnels line will continue the Metronit service revolution lead by the Superbus Company for the benefit of the passenger public.
